### Major Business

### 3. Estates

RECEIVED a presentation from Professor James Bennett on the recent work of Story Futures as an example of collaboration between university research and partners from industry and a short talk from Professor Keith Mayes about the nature of work undertaken by the Information Security Group. M20/03

NOTED the positive impact that the lab space would have on the ability of the ISG to work with industry partners on the evolving issues in the cyber security world and how that would improve our reputation in this area. M20/04

RECEIVED the report from Finance Committee, noting the concerns expressed about the lack of firm commitment from potential commercial users of the Centre, the discussion around phased construction and possible alternative financial options as well as uncertainty around the assumptions underpinning the business case. M20/05

DISCUSSED the need for more security in the commitment from external partners. M20/06

DISCUSSED whether the College had considered best use of the space and contingency plans if uptake was slower than anticipated. M20/07

DISCUSSED the need to encourage academics and drive cultural change to take advantage of the opportunities to work with industry partners. M20/08

AGREED that Council required additional information, particularly around the commitment of industry partners to utilise the space proposed, in order to make a final decision. M20/09

AGREED to defer the decision until the meeting in February. M20/10
