An aerial photograph of the Royal Holloway campus. The central focus is the iconic clock tower, a tall, ornate structure with two clock faces and a decorative top. The tower is surrounded by a large, multi-story red brick building with many windows and a courtyard. The surrounding area is lush with green trees and a clear blue sky. A semi-transparent dark box is overlaid on the left side of the image, containing text.

Royal Holloway's beautiful campus and surrounding area are a great place to live. You can choose from a range of accommodation. Each hall of residence has its own identity, from the unique character of the Victorian Founder's Building to our newest townhouse accommodation, George Eliot Halls. All make comfortable homes providing good value for money so you can make the most of your time at university.

Each hall has a team of residential, operational, security and maintenance support staff dedicated to settling you in. So there's always someone there who will be happy to help you feel at home.
