Before you start

Please also ensure that you have checked the eligibility criteria for the scholarships you are interested in before you apply.

Please note that to be eligible to apply, it is essential that you:

- hold either a Conditional or an Unconditional offer for an undergraduate or postgraduate degree at Royal Holloway
- intend to enrol for your degree at Royal Holloway at the start of the forthcoming academic year
- apply using the Royal Holloway online scholarship application form which can be found in your applicant portal once you have received an offer to study at Royal Holloway. Please note, you

can apply for as many scholarships as you are eligible for, but you can only be awarded one scholarship. *(These scholarships may be combined with bursaries and/or other scholarships not listed here, depending on the terms and conditions of the other scholarships.)*

If you have offers for more than one course, you only need to complete one application for each type of scholarship i.e. the scholarship application is linked to an applicant, not to a course.

For any enquiries, please contact our Scholarships Team at study@royalholloway.ac.uk
